CITY OF LEMBERG FALLS

BEFORE ADVANCE OF SECOND ARMY

Capital of Galicia is Captured victory on the river, Dniester, resultby Teuton Forces after a Very Severe Battle.

WHOLE PROVINCE RECLAIM

At the Cost of Hundreds of Thousands of Lives on Both Sides of Conflict.

BERLIN, by wireless, June 23 .-Lemberg has been conquered after 2 very severe battle according to an official report received here from before the advance of the Second

Lemberg, the capital of Galicia, was occupied by the Russians on September 2, 1914, about one month

For the last twenty days, since the Austro-Germans took Przemysl from the forces of Emperor Nicholas, it has been the objective of a series of furious attacks on the part of the Teu-

With Lemberg now in its hands, Austria has reclaimed virtually the whole province of Galicia. The fighting in this campaign has been of unusual intensity with heavy losses. The figures of killed, wounded and captured as given in Austrian, German and Russian official statements. run into the hundreds of thousands.

ONLY PASSING MENTION

PETROGRAD, June 23 .- Only passing mention of operations in the vicinity of Lemberg is made in an official statement issued tonight at the Russian war office. The assertion is made that desperate attacks were repulsed and 800 prisoners were taken

pursuit of the fleeing Austrians. Another Russian success with the capture of 1,000 prisoners is reported near the Bukowina border.

AUSTRIANS REPULSED BY ITALIAN TROOPS

ROME, via Paris, June 23 .- The

several points on the front. In the volver. Rennie may die. Monte Nero zone one of our Alpine recently arrived probably from Galicia. The Alpine troops attacked and repulsed them, inflicting heavy losses and taking some prisoners. Night attacks by infantry against our posi-tions at Plava were repulsed."

ZEPPELINS REPORTED

Overseas News Agency today gave out the following:

tween Tuesday and Wednesday (probably June 15-16) dropped many bombs. Virginia, the object of which shall be on the Armstrong works at South Shields, England, which destroyed the navy yards and arsenal. Several buildings burned all night. The damburdings burned all night are proposed and salar part of the establishment and maintenance of the esta

east coast of England on Tuesday in the British cennight of last week. The British censorship prevented the publication of details of this raid and there has been no previous intimation that the naval works at Shields were damaged. An official statement in London on June official statement in London on June distributors of the state in relation of the state in the Death of t had been killed and forty injured.

Their successes will have a far reaching political effect, as the driving out of the Russians from Galicia is counted upon in Berlin to help maintain the status quo in the held out to him for this purpose.

MONTENEGRIN TROOPS DEVELOPS OFFENSIVE

ROME, June 22, via Paris, June 23 The Montenegrin offensive against Scutari, Albania, is developing with success according to a despatch to the Giornale D'Italia. Montenegrin IS MADE BY RUSSIANS troops were said to be marching against the city in three columns.

INSTANTLY KILLED

Is Italian Miner When Caught under a Fall of Slate.

Gorlotti L'uige, aged 26 years, an pulsed and 800 prisoners were taken near Rawa, Ruska, thirty-two miles northwest of the Galician capital.

The claim also is made by the Russians that they have scored an important victory below Nijniff on the Dniester after a stubborn battle which has lasted since the fifteenth. More than 3,500 prisoners were captured and Cossacks are said to be in pursuit of the fleeing Austrians.

Italian miner was instantly killed at 2 o'clock Wednesday morning when he was caught under a fall of slate and top coal at the Coaling station mine of the Consolidation Ccai Company. When he was removed from under the fall it was discovered that both his legs and left arm were broken and his skull crushed. The decased man is survived by a brother pursuit of the fleeing Austrians.
